

GENERAL EDUCATION CORE REQUIREMENTS 2023-2024

All Tidewater Community College students earning a degree or certificate must complete general education core requirements. Curriculum guides designate specific courses that must be taken to satisfy these requirements. When general education elective courses are required as specified in curriculum guides, students may select from the courses in the following lists. Students may not use the same course to satisfy more than one curriculum requirement.

Some courses, referred to as "passport" courses, are transferable to most public colleges and universities in Virginia and satisfy a lower-division general education requirement if the entire collection is taken as prescribed. Students who plan to transfer are advised to consult a TCC transfer counselor, appropriate transfer guides, and prospective transfer colleges/universities to ensure electives meet transfer requirements.

Communication Elective:

ENG 111 - College Composition I

ENG 112 - College Composition II

ENG 113 - Technical-Professional Writing

CST 100 - Principles of Public Speaking

CST 110 - Introduction to Communication

Note:

ENG 111 is a required course in all degree and certificate programs.

Mathematics Elective:

MTH 154 - Quantitative Reasoning

MTH 155 - Statistical Reasoning

MTH 161 - PreCalculus I
